They've partnered with our Nursing team here at Deupree to provide hearing screenings. If you are interested, please sign up for your preferred time slot.

1st: Featured Artist Meet and Greet

Come out and meet the artist featured in our dining room, Kent Krugh.

2nd: Happenings in Our Sky

Our very own Jack Nebergall will be talking about a few interesting subjects that have been covered in the Science News magazine - black holes in the sky, the life and death of stars, and how some things are moving away from the universe.

4th: bus to Church of Redeemer

Join us as we attend a free concert which will be a benefit for Elaine-Leung-Wolf, CCM Adjunct piano faculty member who is battling liver cancer. Proceeds from donations will help with medical expenses. Musicians include UC President, Santa Ono, cellist, Suzanne Bona, flutist, Michael Chertok, pianist, Mary Schaffer, a soprano, the Phil DeGreg trio and others.

7th: Documentary, "Earth"

Fueled by dazzling high-definition photography and stunning locations around the world, this nature documentary captures three animal families in action over the course of a year, showing how the sun influences behavior and migratory patterns.

9th: Pianist, Mary Lou Boylan, in Concert

We welcome pianist, Mary Lou Boylan, back to Deupree. Not only has she been the accompanist for the Queen City Songbirds over the past several years, she also played piano music for our Sip and Sup dinners many years ago. Come out and hear your favorite songs from the 40s and 50s as well as Broadway!

12th: Sip and Sup

Turn \$5.00 in to Life Enrichment, for your dinner, by Wednesday, June 8th. The menu (subject to change) will be: Popcorn for Grandparents, grilled pork roast, red cabbage, Kugel, and Texas Sheet Cake.

13th: "How the States Got Their Shapes"

Brian Unger hosts this clever road documentary series blending history, politics and geography to show how America's states got their current borders. Each episode focuses on a unique regional history, tracing shifts in U.S. demographics and culture.

14th: Celebrating Deupree Talent in Song

Join us for a celebration of the talent we have right here at Deupree! While our Master of Ceremonies will be Barb High, our headliners will be Nancianne Parrella, MaryBeth Foxworthy, Al Harris, and the Sip and Sup Committee. Come out for a night of fun as they lead us in singalongs.

15th: Book Giveaway

Come and see what gems the Library Committee is giving away. Pick up a novel or book as the library makes room for new titles.

Some of the areas visited include Tongariro National Park in New Zealand, the Eiffel Tower, Pompeii, the Great Wall of China, the Austrian Alps, the Appalachian Trail, Mesa Verde National Park in Colorado and many more.

29th: bus to Matthew25: Ministries

We will be touring the facility responsible for helping the poor and disaster victims throughout the United States and around the world. On our tour, we will see a life-size, three dimensional recreation of disaster scenes along with examples of poverty in the U.S. and in developing countries. The tour will be able to give a tangible example of the places they're able to help, through the support of generous volunteers and donors.

THE TIMES LISTED ON THE CALENDAR, FOR OUTINGS, ARE TIMES WHEN THE BUS WILL BE DEPARTING THE CAMPUS. SEE SIGN-UP SHEETS FOR DEPARTURE TIMES FOR EACH BUILDING.
