Newest Affordable Living Senior Apartments by Episcopal Retirement Services

## Community Proposal – College Hill Marlowe Court

Episcopal Retirement Services (ERS) is proud to offer affordable senior living communities that provide a variety of options and services not often found in communities for low-income seniors.

In an effort to expand our mission, ERS will be building a new community for senior residents of College Hill. We are looking for your comments and suggestions about what would be most helpful in these apartment communities for older adults.

### Proposed Plan:

- 31 two-bedroom and 22 one-bedroom apartments for seniors ages 55 and older
- Rents for low income seniors
- Spacious community rooms including a library and computer center
- Laundry facilities on-site
- Additional storage bins on each floor
- Fitness/wellness center for residents
- Spiritual services and social activities
- Outdoor patio space
- Great access to community services in College Hill
- Transportation to events and shopping
- Service Coordinator to aid in getting services and assistance for residents
