

## Why We Give to ERH Parish Health Ministry...

**A Testimonial by Walda Helvie, Chairperson, Gloria Dei Lutheran Church  
Whole Health Ministry**

The ERH Parish Health Ministry, through their caring staff and their body/mind/spirit centered programs, is a model of the Golden Rule. They reach out to meet and serve the needs of our brothers and sisters in Christ through the many Health Ministries with which they partner. Jesus has asked us to love and serve him by loving and

serving others. They fulfill this through their helpful/supportive staff, by providing opportunities for networking and keeping their partners informed with current information.

Our Gloria Dei Whole Health Ministry has received loads of valuable materials, programs and ideas on how to expand and improve our health ministry. Parish Health Ministry always encourages us to go the extra mile.

We have several partnerships but we value our partnership with ERH's Parish Health Ministry more than any other. It is hard to put a monetary value on their support. To show our appreciation, we send a yearly donation. We hope to give more each year and will have this built into our WHM budget.

We are grateful for the recognition that they give to the many Health Ministries by providing excellent appreciation programs which make us feel needed and valued. God bless the ERH Parish Health Ministry!
