Sure feel a hint of Spring in the air with no snow and warmer temperatures. Spring officially starts March 19th and I think we are all ready for sunny and warmer days although we can have snow in March and April.

As a reminder to everyone, we do have a fundraiser going on and we are selling tickets in the office for our lottery drawing which will take place on March 15<sup>th</sup> in the Canterbury room at 2:30.

We also have purchased some solar eclipse glasses that are on sale for \$1.00 and 1 per resident.

We have some special events planned this month and hope you will all get a chance to participate in the activities.

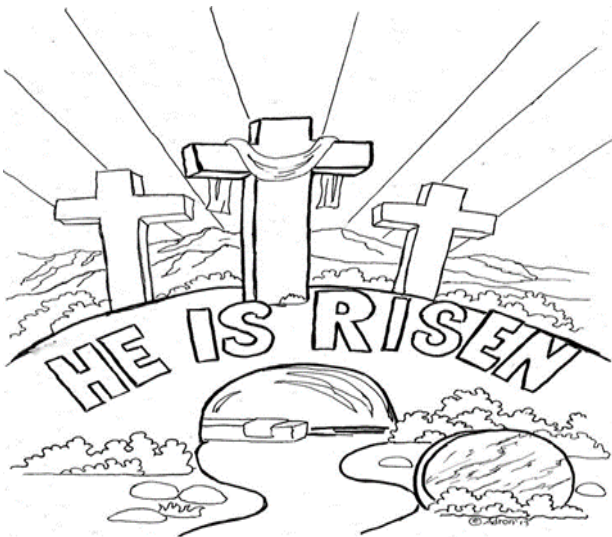

The time will also change this month on March 10<sup>th</sup> so we will all spring forward. We will put signs up so you all remember.

I encourage you to come to our resident meeting this month. We will be announcing council nominations and the positions open. It has been a few years since we have had a council and hope that we can have one again soon. We will have all the information at the meeting.

We will be having breakfast on March 7<sup>th</sup> which is coming up soon so we hope that you will join us on that. St. Patrick’s Day celebration, Make it and Take it and since Easter is this month, we will have a nice ham lunch on March 26<sup>th</sup>.

Wanted to remind everyone of the Solar Eclipse day coming in April that we have posted on the board downstairs the path of the eclipse.

As a reminder for the recertification process, if you are turning in receipts make sure you are coming to the office so that we can copy them for you. We wish all of you a nice Easter.
