

Episcopal Retirement Services

November 21, 2020

Dear Residents and Families,

During our regular surveillance testing this week at Episcopal Church Home, two staff members have tested positive for COVID-19. These staff members are non-direct caregivers. The staff members are quarantining at home. Additionally, one of our Memory Care residents has tested positive as well. For this reason, Memory Care West remains under quarantine at this time. We also have an occurrence of symptoms at ECH to report. An occurrence is defined as three or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.

The following is the cumulative reporting for our communities:

COVID-19 Reporting	Episcopal Church Home	Deupree House & Cottages	Marjorie Lee
Residents			
Current residents with confirmed COVID-19	1	0	0
Cumulative residents with confirmed COVID-19	5	0	7
Staff*			
Current staff with confirmed COVID-19	2	0	0
Cumulative staff with confirmed COVID-19	15	5	34
3 or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.			
Current occurrences	1	0	0
Cumulative occurrences	1	3	15

*Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

As shared in previous letters, we continue to follow all CDC guidelines and mitigation practices to reduce the spread of COVID-19. Please let me know if you have any suggestions or questions.

Sincerely,

Laura Lamb
President and CEO
