Dear Residents and Families,

As I watch to the national news tonight, I am reminded that what happens in our communities impacts what happens inside our communities. Regrettably, this has been a very difficult week. I am writing to share a few positive COVID-19 cases.

We have one direct care staff member and one non-direct caregiver who has tested positive for COVID-19 at Marjorie Lee. One staff member works on the Berghamer Household, and the other on our Amstein, Luther, and Kirby Households. The staff members are quarantining at home, and the households remain under quarantine at this time.

At Episcopal Church Home, we have one direct care staff member on Memory Care who has tested positive for COVID-19. The staff member is quarantining at home, and the household remains under quarantine at this time. Additionally, we have one occurrence of symptoms at ECH. An occurrence is defined as three or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.

The following is the cumulative reporting for our communities:

COVID-19 Reporting	Episcopal Church Home	Deupree House & Cottages	Marjorie Lee
Residents			
Current residents with confirmed COVID-19	0	0	0
Cumulative residents with confirmed COVID-19	5	0	7
Staff*

Cumulative staff with confirmed COVID-19	16	5	37
3 or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.			
Current occurrences	1	0	0
Cumulative occurrences	2	3	15

*Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

As shared in previous letters, we continue to follow all CDC guidelines and mitigation practices to reduce the spread of COVID-19. Please let me know if you have any suggestions or questions.

Sincerely,
