Dear Residents and Families,

At Marjorie P. Lee, two residents have tested positive for COVID-19. One resident lives on the Amstein House, and the other resident was on the Rehab Household. The residents are quarantining. The Amstein House remains on quarantine. Additionally, one non-direct contracted staff member tested positive for COVID-19. The contracted staff member is quarantining at home.

At Episcopal Church Home, our routine surveillance testing uncovered four asymptomatic staff members. Three staff members are direct caregivers (Woodcock, the COVID+ unit, and Clingman Household), and one is a non-direct care staff member. The staff members are quarantining at home. Test results are pending for all residents who had close with these staff members.

We have one Affordable Living resident from Thomaston Woods who have tested positive for COVID-19. The resident is quarantining in their apartment at this time. Additionally, a non-direct care staff member at Central Parkway Place has tested positive and is quarantining at home.
