Dear Residents and Families,

Yesterday was a great day! We held our first vaccine clinic at Episcopal Church Home for our residents and staff. I want to send a special thank you to The Right Reverend Terry White, our Bishop of the Diocese of Kentucky. Bishop White blessed our clinic and helped us celebrate the wonderful moment. Beverly Edwards said it well in her remarks: "Today marks the day we can fight back against this terrible virus!"

At Marjorie P. Lee, one non-direct staff member tested positive for COVID-19. The staff member is quarantining at home.

The following is the cumulative reporting for our CCRCs:

\*Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

As shared in previous letters, we continue to follow all CDC guidelines and mitigation practices to reduce the spread of COVID-19. Please let me know if you have any suggestions or questions.

Sincerely,
