Dear Residents and Families,

I hope you had a wonderful Christmas Day. It was so good to see so many families connect with our residents via Zoom or Window visits. Our staff, aka “Santa’s Elves,” did a great job making our residents feel loved and cared for with special treats and surprises all day long. Here are a few pictures I thought you would like to see!

At Deupree House, one non-direct staff member tested positive for COVID-19. The staff member is quarantining at home.

At Episcopal Church Home, three residents on the Marmion Household have tested positive for COVID-19. The residents are quarantining at this time. Additionally, a resident who lived on Clingman previously reported as testing positive for COVID-19 passed away at the hospital. Please join me in keeping the resident’s family in your prayers.

The following is the cumulative reporting for our CCRCs:

Sincerely,
