

December 28, 2020

Dear Residents and Families,

At Episcopal Church Home, two residents on the Marmion Household have tested positive for COVID-19. The residents are quarantining at this time. Additionally, we have an occurrence of respiratory symptoms. As you will recall, an occurrence is defined as three or more residents or staff with new-onset COVID-19 respiratory symptoms in 72 hours.

I also wanted to share the results of our first COVID-19 clinic at ECH last week. We are pleased to share that 70% of our residents in our healthcare areas and 51% of our staff received the vaccine's first dose. Additional clinics will be held on January 13<sup>th</sup> and February 3<sup>rd</sup>. Residents and staff who have not received the first dose can begin the two-round vaccine on January 13<sup>th</sup>.

Additionally, the vaccine clinic for Deupree House and Cottages is scheduled for the following dates:

- Tuesday, January 5<sup>th</sup>, from 8 am – 4 pm
- Tuesday, January 26<sup>th</sup>, from 8 am – 4 pm
- Tuesday, February 16<sup>th</sup>, 8 am – 4 pm

We do not have confirmation of the Marjorie Lee's clinics at this time but have reached out again to our Walgreen's contact.

The following is the cumulative reporting for our CCRCs:

<b>COVID-19 Reporting</b>	<b>Episcopal Church Home</b>	<b>Deupree House &amp; Cottages</b>	<b>Marjorie Lee</b>
<b>Residents</b>			
Current residents with confirmed COVID-19	2	0	0
Cumulative residents with confirmed COVID-19	29	2	20
<b>Staff*</b>			
Current staff with confirmed COVID-19	0	0	0
Cumulative staff with confirmed COVID-19	44	14	55
<b>3 or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.</b>			

Current occurrences	1	0	0
Cumulative occurrences	10	3	18

\*Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

As shared in previous letters, we continue to follow all CDC guidelines and mitigation practices to reduce the spread of COVID-19. Please let me know if you have any suggestions or questions.

Sincerely,

Laura Lamb  
President and CEO
