

December 30, 2020

Dear Residents and Families,

For today's report, at Marjorie Lee, we have a private duty staff member who has tested positive for COVID-19 and is quarantining at home. The staff member worked on the COVID-19+ Household.

At Episcopal Church Home, one resident on the Marmion Household tested positive for COVID-19. Additionally, we have six staff members who work on the Marmion Household who have tested positive for COVID-19 and are quarantining at home.

Lastly, it is with a heavy heart that I share a resident of a St. Paul Village resident who had previously been reported as having COVID-19 has passed away. The resident has been out of the community since early December. Please keep the family in your prayers.
