Dear Residents and Families,

The excitement about the vaccine is palpable in our communities. Today at the Deupree House and Cottages, residents and staff danced to a Happy Radio playlist with excitement after getting their shot. Staff and residents were brought to tears realizing the historical significance of the moment and feeling like they were doing something to fight back at the terrible virus!

For reporting purposes, at Marjorie Lee, one non-direct care staff member tested positive for COVID-19. The staff member is quarantining at home.

In our Affordable Living communities, two Thomaston Woods residents tested positive for COVID-19 and are quarantining in their apartments. One Knowlton Place resident tested positive for COVID-19 and is receiving care at the hospital.

The following is the cumulative reporting for our CCRCs since March 2020:
