Dear Residents and Families,

Our vaccine clinic at Deupree House went very well yesterday. We had 100% of the Deupree House residents that were eligible to receive the vaccine get their first shot. Additionally, more than 100 staff and private duties had their first shot yesterday, with more planning to get their first shot at our next clinic.

For reporting purposes, at Marjorie Lee, one direct care staff member who works on the Kirby and Luther Households has tested positive for COVID-19. The staff member has not worked for several weeks and is quarantining at home.

At ECH, we had a delay in receiving a test result for one Marmion resident. We found out today that the resident has tested positive for COVID-19. The resident is doing well and is fully recovered.

The following is the cumulative reporting for our CCRCs since March 2020:

As shared in previous letters, we continue to follow all CDC guidelines and mitigation practices to reduce the spread of COVID-19. Please let me know if you have any suggestions or questions.
