Dear Residents and Families,

For reporting purposes, at Episcopal Church Home, one direct care staff member who works on the Marmion Household has tested positive for COVID-19. The staff member is quarantining at home. It is with sadness that I share that a Marimion resident previously reported as having had COVID-19 has passed away. Please join me in praying for the resident’s family and the staff who cared for the resident.

Additionally, we were informed that a Marlowe Court resident, an Affordable Living Community, has tested positive for COVID-19. The resident is hospitalized receiving care at this time.

The following is the cumulative reporting for our CCRCs since March 2020:

*Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

Sincerely,
