Dear Residents and Families,

We had a great day at our 2nd vaccine clinic at Deupree House and Cottages today. We will report the results of the percentage of staff and residents taking the vaccine shortly. I also wanted to share our “Don’t Let the Myths Fool You” campaign that we have been sharing with our staff to help debunk some of the misunderstandings about the vaccine:

For reporting today, a Cottage resident, previously reported as having tested positive for COVID-19, passed away at Marjorie Lee today. Please keep the family in your thoughts and prayers. Additionally, a direct care staff member at the Cottages tested positive for COVID-19 and is quarantining at home.

At Sunrise Terrace, an Affordable Living community, a resident tested positive for COVID-19 and is quarantining in their apartment. Additionally, a Maple Knoll resident tested positive and is hospitalized for other medical care issues at this time.

The following is the cumulative reporting for our CCRCs since March 2020:
