

February 24, 2021

Dear Residents and Families,

**We are excited to announce that we are planning to open indoor visits at Marjorie P. Lee beginning on Friday, Feb 26<sup>th</sup>!** Indoor visits can occur as long as the community positivity rate for Hamilton Counties remains under 10%. In addition, there can be no positive cases of residents or staff in the last 14 days within the retirement community.

The following is a recap of the indoor visits criteria for Ohio:

- Residential living visitors (Residential Living, Kirby, Luther and Morris Households) will meet our staff at the Victoria Lobby entrance. Visitors for Berghamer, Romney, Amstein, and Rehab Households will meet our staff liaison at the Tom Craig Lobby entrance.
- Only two visitors are allowed per visit. Each visitor must be over the age of 2, wear a mask during the visit, and maintain social distancing.
- Each visitor will receive a COVID-19 rapid test before the visit. The visitor must be able to swab themselves and wait for the results outside or in their vehicle. Tests take 15 minutes to process. We will provide the test at no cost to the visitors at this time.
- Because of the testing requirement, the visits will be approximately 30 minutes in length, scheduled on the hour. For example:
  - Visitors arrive at 10:00 a.m.
  - The visitor performs a self-swab and returns to the car to await test results.
  - Visitor will be notified of test result via cell phone. If visitors test negative, the visit begins around 10:15 a.m.
  - The visit must end no later than 10:50 a.m. to allow for sanitation between visits.
- Visitors will be spaced 10 feet away from the resident without a barrier.
- Due to masks needing to be worn at all times during the visit, food and beverages are not able to be permitted during visits.
- Because of twice-weekly testing for all staff and resident programming, visits will be offered 3-4 days a week.
- Residents will be able to have one in-person visit per two-week period for the first several weeks to allow for all families to be reunited. The same sign up process will be used to reserve visit times via SignUp Genius:

- Residential Living, Kirby, Luther and Morris Households:  
<https://www.signupgenius.com/go/mplvisitsrcf>
- Berghamer, Romney, Amstein, and Rehab Households:  
<https://www.signupgenius.com/go/mplvisitsnf>
- Residents cannot participate in visits while in quarantine.
- Lastly, indoor visits will be changed to window visits if a resident or staff member tests positive for COVID-19 or if CMS lists Hamilton County's positivity rate at 10% or higher.

We have waited for indoor visits for a long time! Enjoy your time with your loved ones.

Sincerely,
