

Episcopal Retirement Services

March 17, 2021

Dear Residents and Families,

I am writing to share good news. Deupree House and Cottages, Episcopal Church Home, and Marjorie P. Lee have each completed a full round of staff surveillance testing with no positive results! With this outcome, we are now able to offer indoor visits at all three communities for residents in all levels of care.

Please use the SignUpGenius link for your loved one's household to reserve an indoor visit:
