Dear Residents and Family Members,

A direct care staff member who works on the Berghamer Household at Marjorie Lee has tested positive for COVID-19. The staff member is quarantining at home. We have to test all staff and residents per the current Governor's orders for two rounds of testing. During our first round of testing, all staff and residents' tests were negative. We must stop in-facility visits at this time for our skilled nursing households of Berghamer, Amstein, Romney, and Shaw Rehab. Window and Zoom visits can continue. Once we meet the criteria to resume in-facility visits, we will share the news with residents and families.

The following is the cumulative reporting for our CCRCs since March 2020:
