Transportation Information

To keep our residents and staff safe during these challenging times, the following changes have been made, effective immediately. We will update bus trips as guidelines change.

We are reducing the number and length of trips.

- We will transport only one property at a time to reduce possible cross exposure among the properties.
- Every resident will have their temperature checked and be asked the same health questions we have already implemented.
- Every resident will clean their hands with an anti-bacterial wipe before getting on the bus.
- Residents are required to wear a mask on the bus at all times.

RESERVATION POLICY

Call the transportation phone line at 431-9767 by 4 pm the business day prior to the trip. Please leave the following information for John:

- Date & destination of the trip
- Your property (Forest Square)
- Your phone number
- If you will be bringing a walker, fold-up wheelchair, power chair or none of the above.
- Limit your purchases to 5 grocery bags. One large item counts as one bag.

Please see the calendar for upcoming bus trips
