

Episcopal Retirement Services

October 19, 2021

Dear Residents and Family Members,

A vaccinated non-direct care Marjorie Lee staff member who worked on several households has tested positive for COVID-19. As a result, the staff member is quarantined at home. Residents and staff are being tested in accordance with current regulations. Unfortunately, visitation is paused in the following areas: Rehab, Amstein, Romney, Berghamer, Kirby, and Luther households. Additionally, we have an occurrence of symptoms at MPL.

A vaccinated direct care worker at the Episcopal Church Home working on Morton Households has tested positive for COVID-19. The staff member is quarantining at home. Residents and staff are being tested in accordance with current regulations. Visitation is paused in all areas of the Morton House at this time.

In our Affordable Living communities, we have had several cases of residents with COVID-19. One resident at Maple Knoll Meadows has tested positive for COVID-19 and is seeking care at a skilled rehab community. Two residents at Thomaston Woods have tested positive. Both residents were hospitalized. Sadly, one resident has passed away. Please keep the resident's family in your prayers.
