

December 30, 2021

Dear Residents and Families,

As I shared yesterday, we are experiencing a surge of cases in the broader community, and therefore, in our communities. Given the rise in cases, we will be re-implementing several mitigation strategies effective immediately:

- Residents must wear masks in all public areas of the building. This includes residents in all levels of care.
- We are suspending dining room service. We will deliver meals to the residents' rooms / apartments.
- We are halting social activities for a minimum of 14 days. New Year's Eve celebrations and football parties are canceled due to the risk of spreading the virus. Life enrichment staff will provide activities on a one-on-one basis as available.
- We request that residents do not host socials in their apartments or in the common areas that include eating and drinking at this time. Additionally, masks should be worn if you are hosting family or friends who do not live with you in your apartment / room, since not wearing a mask with others presents a higher risk of spread of the virus.
- If you choose to leave the community, you must practice social distancing, wear masks, and uphold proper hand hygiene.

For today's reporting we have several cases to share. At Marjorie Lee, two private duty staff members (Amstein) and one direct caregiver (Romney) who have tested positive for COVID-19. As a result, the staff members are quarantined.

At Deupree House, we have one non-direct care staff member who have tested positive for COVID-19. As a result, the staff member is quarantined. We also have an occurrence of symptoms at Deupree. An occurrence is when three or more residents or staff have with new-onset COVID-19 respiratory symptoms in a 72-hour period.

The following is the cumulative reporting for our CCRCs since March 2020:

COVID-19 Reporting	Episcopal Church Home	Deupree House & Cottages	Marjorie Lee
Residents			
Current residents with confirmed COVID- 19	0	0	0
Cumulative residents with confirmed COVID-19	43	8	28
Staff*			
Current staff with confirmed COVID- 19	0	1	1
Cumulative staff with confirmed COVID- 19	62	29	86
3 or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period			
Current occurrences	0	1	0
Cumulative occurrences	11	7	26

*Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

Please let me know if you have suggestions and questions.

Sincerely,

Laura Lamb
President & CEO
