Dear Residents and Families,

In Affordable Living, a resident and staff member at our St. Paul Village Community have tested positive for COVID-19 and are quarantining in their apartment / home.

At Marjorie Lee, two residents (Shaw Rehab and Victoria Apartments) have tested positive for COVID-19 and are receiving care at the hospital. Additionally, two non-direct care staff members have tested positive for COVID-19 and are quarantining at home. We also have an occurrence of three or more residents and staff who have respiratory symptoms over a 72-hour period.

At the Episcopal Church Home, one resident who lives in Morton House East has tested positive for COVID-19 and is quarantining.

For cumulative CCRC reporting numbers, please visit our website at www.episcopalretirement.com/corporate/coronavirus-updates.

Please let me know if you have suggestions and questions.

Sincerely,
