

July 24, 2022

Dear Residents and Families,

At Episcopal Church Home, a resident who lives on the Clingman Household, has tested positive for COVID-19 and is quarantining in their room.

At Marjorie Lee, six residents who reside in the Victoria Apartments have tested positive for COVID-19 and is quarantining in their apartments. Additionally, two non-direct care staff members have tested positive of COVID-19 and are quarantining at home. We also have an occurrence of symptoms at Marjorie Lee.

I want to take the opportunity to remind our residents that wearing masks when riding in ERS vehicles is required. Please know that our drivers have been instructed to remind residents of our policy. If residents are unable or unwilling to comply with wearing masks, they will not be permitted to use our transportation services.

Additionally, we are finding that the number of breakthrough cases of COVID-19 is increasing due to transmittable rate the current variant. We need our resident to renew their commitment to wearing masks in common areas which is still a requirement in retirement communities.

For cumulative CCRC reporting numbers, please visit our website at [www.episcopalretirement.com/corporate/coronavirus-updates](http://www.episcopalretirement.com/corporate/coronavirus-updates).

Please let me know if you have suggestions and questions.

Sincerely,

A handwritten signature in cursive script that reads "Laura R. Lamb".

Laura Lamb  
President & CEO
