Dear Residents and Families,

In our Affordable Living Communities, a resident who lives at Maple Knoll Meadows has tested positive for COVID-19 and is quarantining in their apartments.

At Marjorie Lee, a contracted, direct care staff member has tested positive for COVID-19 and is quarantining at home. The staff member also works at Deupree House & Cottages.

I am pleased to share that the COVID-19 outbreak at Marjorie Lee (MPL) has subsided. The additional outbreak strategies that were put into place at MPL on July 25th related to dining, transportation, life enrichment, spiritual services, wellness, and the beauty shop are now lifted. Residents must continue to wear masks outside of their apartments.

For cumulative CCRC reporting numbers, please visit our website at www.episcopalretirement.com/corporate/coronavirus-updates.

Please let me know if you have suggestions and questions.

Sincerely,

A handwritten signature in cursive script that reads "Laura R. Lamb".
