Dear Residents and Families,

In our Affordable Living Communities, one resident from Maple Knoll Meadows, two residents from New Carlisle Village, and one resident from St. Paul Village have tested positive for COVID-19 and are quarantining in their apartments. It is with a heavy heart that I share a previously reported COVID-19 positive resident from Maple Knoll Meadows has passed away. The resident, their loved ones, and the Maple Knoll community remain in our prayers.

At Deupree House, three residents have tested positive for COVID-19 and are quarantining in their apartments.

At Episcopal Church Home, eight Dudley Square residents have tested positive for COVID-19 and are quarantining at home.

At Marjorie P. Lee, a direct care staff member from the Rehab unit has tested positive for COVID-19 and is quarantining at home.

Finally, a member of the ERS Support Services Office has tested positive for COVID-19 and is quarantining at home.

For cumulative CCRC reporting numbers, please visit our website at www.episcopalretirement.com/corporate/coronavirus-updates.

Please let me know if you have suggestions and questions.

Sincerely,

A handwritten signature in black ink that reads "Laura R. Lamb".
