

Episcopal Retirement Services

October 13, 2022

Dear Residents and Families,

In Affordable Living, two residents from Prairie View have tested positive for COVID-19. One is quarantining in their apartment, and one is quarantining at a care facility.

At Marjorie P. Lee, a resident from Romney House has tested positive and is quarantining at this time. Additionally, a direct care staff member and private duty from Romney House have tested positive for COVID-19 and are quarantining at home. There has also been an occurrence of symptoms at MPL. As a reminder, an occurrence is defined as 3 or more residents and/or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.

Finally, a staff member from the ERS Support Services Office has tested positive and is quarantining at home.
