Dear ERS Team Members,

At ECH, two Dudley Square residents and one non-direct team members have tested positive for COVID-19 and are quarantining at this time.

At Deupree House, two residents have tested positive for COVID-19 and are quarantining at this time.

At Marjorie Lee, we have an occurrence of COVID-19 symptoms. As a reminder, an occurrence is defined as when three or more staff and/or residents have respiratory symptoms associated with COVID-19.

Additionally, we have had an outbreak at our Affordable Living Canterbury Court. Two staff members and six residents have tested positive. Unfortunately, two of the residents are receiving care at the hospital, while the other residents and staff are quarantining at home at this time. All activities and common area events are suspended at this time due to the number of positive cases. One staff member at Knowlton Place has tested positive for COVID-19 and is quarantining at this time.
