

Episcopal Retirement Services

December 14, 2022

Dear Residents and Family Members,

Hamilton County has moved to high transmission rates. **Therefore, residential living residents at Marjorie Lee and Deupree House are now required to wear masks in common areas.** Because of this, scheduled holiday festivities need to be reimagined. Look for more information from your community administrator.

Jefferson County remains at high transmission rates. **Therefore, Dudley Square residents must wear masks in the Clubhouse.**

Additionally, several residents who live in our Affordable Living Communities have tested positive for COVID-19 and are quarantining at this time (two residents at Canterbury Court and one resident at St. Paul Village.)

For cumulative CCRC reporting numbers, visit our website at www.episcopalretirement.com/corporate/coronavirus-updates.

Please let me know if you have suggestions and questions.

Sincerely,

A handwritten signature in black ink that reads 'Laura R Lamb'.
