

Episcopal Retirement Services

July 3, 2020

Dear Residents, Staff, and Families:

We received test results today that a staff member at Marjorie P. Lee (MPL) has tested positive for COVID-19. The staff member has not worked at MPL for a week. The staff member works on the Amstein Household. None of our residents on Amstein has exhibited symptoms, but out of an abundance of caution, we will be testing all residents of this household immediately. We will continue to test residents as we get test kits from local agencies.
