

Episcopal Retirement Services

August 14, 2020

Dear Residents and Families:

We are beginning to receive the results from our bi-weekly testing of all staff and private duties. One private duty staff member working at the Deupree House and Cottages tested positive for COVID-19. The staff member is self-quarantining at home. The residents who the private duty was carrying for have been quarantined. One resident was moved to the observation area at Marjorie Lee, and two residents are quarantined in their apartments. All other Deupree House and Cottage staff – 142 individuals – are negative for COVID-19 at this time!

Results from Marjorie Lee and Episcopal Church Home are still pending at this time. We will likely have an update on Monday. The Leadership team is evaluating the Governors’ guidelines related to outdoor visits and will share our decision for each community early next week once the surveillance testing results are received.

Marjorie Lee’s Morris Household is no longer in quarantine! I know that residents, families, and staff are thrilled with this positive news.

Lastly, the following is the cumulative reporting for our communities:

COVID-19 Reporting	Episcopal Church Home	Deupree House & Cottages	Marjorie P. Lee

Current residents with confirmed COVID-19	0	0	0
Cumulative residents with confirmed COVID-19	0	0	6

3 or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.

Cumulative occurrences	0	1	6

Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

As shared in previous letters, we continue to follow all CDC guidelines and mitigation practices to reduce the spread of COVID-19.

Please let me know if you have any suggestions or questions.

Sincerely,
