

Episcopal Retirement Services

October 24, 2020

Dear Residents and Families,

We have an occurrence of respiratory systems to report today at Marjorie P. Lee. An occurrence is defined as three or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.

We sought clarification from our state officials related to outdoor visits, given that we are not able to offer indoor visits at this point due to having positive cases in the last 14 days. Both Ohio and Kentucky will allow outdoor visits when the counties' incidence rate is moderate to high at this time. As a measure of protection, ERS's outdoor visits will include the use of a plexiglass structure.

The following is the cumulative reporting for our communities:

COVID-19 Reporting	Episcopal Church Home	Deupree House & Cottages	Marjorie Lee
Current residents with confirmed COVID-19	0	0	0
Cumulative residents with confirmed COVID-19	0	0	6
Staff*			
Current staff with confirmed COVID-19	0	0	0
Cumulative staff with confirmed COVID-19	6	5	27
3 or more residents or staff with new-onset COVID-19 respiratory symptoms in a 72-hour period.			
Current occurrences	0	0	1
Cumulative occurrences	0	2	8

*Private duty and contracted staff are reported to our residents and families, however, are not included in the cumulative chart above based on reporting guidelines by the city and state.

As shared in previous letters, we continue to follow all CDC guidelines and mitigation practices to reduce the spread of COVID-19. Please let me know if you have any suggestions or questions.

Sincerely,

Laura Lamb
President and CEO
