Affordable Living Senior Apartments

Community Renovation at Prairie View Apartments

Prairie View Apartments is proud to offer rent subsidized affordable senior living community that provides a variety of options and services not often found in communities for low-income seniors.

Our resident community offers:

- 74 one-bedroom apartments for seniors ages 62 and older or disabled
- Rents for low income seniors, based on income
- Transportation to events and shopping
- Service Coordinator to aid in getting services and assistance for residents

Episcopal Retirement Services is proposing renovations to Prairie View Apartments in Wilmington, Ohio. We are looking for your comments and suggestions about what would be most helpful in these apartment communities for older adults.

Proposed Plan for Prairie View 74 units:

- Anticipated \$3.475 Million Construction Budget
- Updated community room & office area
- Improved heating and air conditioning & insulation
- Design of all units to be more easily accessible by seniors
- New appliances, cabinetry, flooring and windows
- Fitness/wellness center for residents & on-site health clinic
- Better security and access controls
- Spacious back yard outdoor patio space
