JAN'S "JIVE"

We finally have some nice weather. Flowers and trees are all bloomed out. Be sure to take advantage of the nice days and enjoy some time outdoors. As we begin to open up slowly we appreciate you all working with us and cooperating. That is how we all keep healthy and safe. Our activities at the moment will be different for awhile with people staying 6 ft. apart and no more than 10 in a group. We will have new guidelines for you to enter our offices. Please call and schedule an appointment. We ask that you wear a mask and we will also be wearing mask and have hand sanitizer on our desk. We have been required to have a safety shield so we will have them placed in between us for your safety as well as ours. Maintenance will be doing work request and you will receive a D2D about the procedures they are following. Since we are still unable to open the Canterbury room for large groups, Teresa and council will continue with the lunch and snack sale as they have been doing.

Our Silver Scissors Beauty Salon is scheduled to re-open June 2nd and will follow the rules set by Governor DeWine.

Tuesday morning exercise resumes on June 2nd @ 10:00 a.m.

FATHER'S DAY PRAYER

Numbers 6: 22-26

"The Lord bless you and keep you;
The Lord make his face shine on you and be
gracious to you;
The Lord turn his face toward you and give you
peace."

Father's Day Facts

Father's Day was actually conceived by a woman named Sonora Dodd when she was listening to a Mother's Day sermon. Dodd wanted a day to honor her father who raised his six children alone after his wife passed away.

The first presidential proclamation honoring fathers was issued in 1966 when President Lyndon Johnson designated the third Sunday in June as Father's Day. Father's Day has been celebrated annually since 1972 when President Richard Nixon signed the public law that made it permanent.

## *Jessie's Juice*

June is here all ready. What a crazy first half of the year we have had. I hope everyone has been holding up okay. If you just need someone to talk to please feel free to call.

Starting in June the every other week for Terry and I will stop. Terry will be returning June 8<sup>th</sup> and I am back now. Hours will still be posted on the doors. We will have new guidelines for you to enter our offices. Please wear a mask and please try to schedule an appointment. We will also be wearing mask and have hand sanitizer on our desk. We have been required to have a safety shield so we will have them placed in between us for your safety as well as ours. We will also be cleaning surfaces in between residents.

I know this is a lot of change all at once but it will be okay. We will all get through this.

### Canterbury Strong
