Mind Fit Series**

Join us for a fun and informative ongoing brain fitness group, led by brain fitness expert, Rosie Abel, from Home Care Assistance. In this weekly program, you will learn about proactive ways to enhance cognitive functioning, including fun group activities used in the Cognitive Therapeutics Method™, a science based cognitive stimulation program. The fee is \$20 per month, which will be charged to your monthly bill. Space is limited to 12 residents per class.

Group Music Program**

Our Home Care Assistance (HCA) team, those who provide our Enriched Living program, invites you to this group music program. It will be led by trained facilitator, Jim Waddle. Come out and see how this recreational music program can provide scientific evidence-based health benefits such as increased circulation, improved immune system, enhanced mood, and a sharpened mind. Call 891-CARE (2273) to reserve your spot.

News and Views**

Would you like to start your morning off with some coffee and good conversation about the good news going on locally, nationally, and worldwide? If so, join us every Tuesday and Thursday!

Brain Teasers**

There are many positive things you can do to keep your mind sharper for longer. And trivia is one! Join us as we exercise our brains with some fun morning trivia on every other Monday.

Horticultural Therapy**

Some of you may be familiar with Robert, as he takes care of the plants on our campus and does our Christmas decorations every year. Robert will be offering this hands on gardening project every other Thursday. Please note, the fee is \$10/person and reservations close 7 days prior.

Artist in the Spotlight

Featured in the dining room, this month, is Mimi Nieman. Upon graduation from high school, Nieman received a scholarship to the Art Academy of Cincinnati. During her studies her work became the center of her world, and would lead to a lifelong love of painting. After graduating from AAC, she continued her education, receiving a B.S. Degree in Art Education from Miami University in Oxford, Ohio. Known for her delightful impressionistic plein-air landscapes, lake scenes, and paintings of children, Nieman has been a professional painter for more than forty years. Many of her works capture the American and European landscapes that she has come across during her travels.

The rest of the month:

1st: Patron Appreciation Luncheon

CSO is inviting select members to a lunch and conversation with the Music Director, Louis Langree, and Pops Conductor, John Morris Russell. Please RSVP with CSO.

1st: Phil DeGreg Trio and Bruno Manguera
Brazilian guitarist, Bruno Manguera, joins the Phil DeGreg Trio to play beautiful Brazilian jazz music from Bruno and Phil's new CD "Without Borders," as well as some familiar standard songs by Jobim.

4th: Derby Party

Enjoy a meal in our Event Center to watch the 145th Race! Bring your own drinks as the drinks provided will only be soft drinks. Chet Cavaliere will be taking bets. He will offer tickets in multiples of \$2.00 — win, place, and show.

6th: Dine n' View**

We're bringing Carol Burnett's favorite shows from the Carol Burnett Show as well as Frisch's to Deupree! See the menu in the Activities Book and turn in your order by May 2nd. Your account will be charged for your meal.

6th: Zach Greenberg in Concert

Nomadic guitarist, Zach Greenberg, will be stopping by Deupree while he is in town. Zach splits his time in Cincinnati, New York City, and Los Angeles composing music for the Cincinnati Ballet, modern dance companies around the country, award winning feature length and short films, as well as multimedia and virtual reality programs. His music was also installed at the National Underground Railroad Freedom Center during BLINK! Cincinnati. He will be joining us to play some Americana folk music!

7th: Cincinnati Ballet Principal Dancer

Cervilio Amador will be joining us to tell us about the upcoming summer Ballet!

17th: Bus to the Leland House

We will be taking a trip to Dayton to see the historic George Leland Home. The house was built circa 1920s and was the residence of the self-taught engineer, inventor, and entrepreneur, George Leland, and family until 1972. Deupree House favorite, Diane Shields, will return to talk about Michelangelo. Michelangelo Buonarroti - a genius! A sculptor and an artist! Michelangelo and Da Vinci lived during the same time – such a difference in their lifestyles.
