Newest Affordable Living Senior Apartments by Episcopal Retirement Services

Community Proposal – Delhi Township Pedretti Place

Episcopal Retirement Services (ERS) is proud to offer affordable senior living communities that provide a variety of options and services not often found in communities for low-income seniors.

In an effort to expand our mission, ERS is proposing a new building for senior residents of the communities of Delhi Township and Price Hill. We are looking for your comments and suggestions about what would be most helpful in these apartment communities for older adults.

Proposed Plan:

- 6 two-bedroom and 42 one-bedroom apartments for seniors ages 55 and older
- Rents for low income seniors
- Spacious community rooms and computer center
- Laundry facilities on-site
- Fitness/wellness center for residents
- Spiritual services and social activities
- Outdoor patio space
- Great access to community services in Delhi Township and Price Hill
- Transportation to events and shopping
- Service Coordinator to aid in getting services and assistance for residents
