

The Martindell Award is a special award granted each year to a deserving ERS team member who exemplifies excellence in caregiving and strives to care for our clients and residents in special and meaningful ways, allowing them to live life on their own terms. This award is made possible by a generous gift from Trish Martindell, who served many years on ERS’s Board of Directors and served as Board Chair 2010 – 2012.

Nominations for this prestigious award will be accepted August 1, 2019, through September 14, 2019. Nominations will be considered by the Martindell family based on the substance of the nomination, not by the number of submissions received. The winner will be announced in October. You may use this form to nominate or nominate online at www.episcopalretirement.com/awards

Award Nominee Name: _____

Department and Location: _____

I believe this ERS team member is deserving of the Martindell Award because: (please print)

My Name & Phone Number: _____
