

The Martindell Award is a special award granted each year to a deserving ERS team member who exemplifies excellence in caregiving and strives to care for our clients and residents in special and meaningful ways, allowing them to live life on their own terms. This award is made possible by a generous gift from Trish Martindell (1946-2016), who served two terms on ERS's Board of Directors, 2003-2014 and 2016. Trish served as Chair from 2010-2012.

Nominations for this prestigious award will be accepted July 1 through August 4, 2023. The winner(s) will be announced in September. You may use this form or nominate online at [www.episcopalretirement.com/awards](http://www.episcopalretirement.com/awards).
