ECH Art Exhibit

Episcopal Church Home held our first Art Show on Friday, June 30th. Brittney Goffney, our art instructor, was on hand to celebrate with Residents and their families. All of the residents' works of art were posted on display along with their expressions about how the artwork they created made them feel or what it made them think about.. The ECH art exhibit was a huge success! Residents, Staff, and Families came to view the works of art while wine and cheese was served. Everyone admired all of the art work that was on display. Brittney made such an impact on our residents that she will be coming back to our facility to give regular classes!

There will also be non-British models in addition to the many fabulous models from across the pond. Don't forget to bring your appetite as well because ECH will be grilling hotdogs and serving drinks. Come enjoy all the festivities at 12pm at the Chapel side parking lot.

Marmion Pancake Social & Pesto Party

Marmion Residents had a Pancake Social, thanks to Catherine Foote and her son, Owen. It was enjoyed by all! Our Residents have also been putting some of our sensory garden herbs to good use while using the five traditional methods of perception: taste, sight, touch, smell, and hearing while making homemade pesto sauce with basil leaves from the garden. Thank you to our friends from First Christian Church and The Sensory Garden Project for assisting us!

Trolley Days

Some of our Woodcock Residents got to Hop aboard the trolley and see OVER 30 ATTRACTIONS including Churchill Downs, the home of the Kentucky Derby, and the Old Louisville District which is the largest collection of Victorian style homes in America. It was a fully narrated tours that also showed some of the best restaurants in town along with museums, Bourbon distilleries, riverboats and much more!

Thank You

ECH Thanks You!

Thank You

We have raised 523 pairs of socks as of July 26th! Please keep those socks coming! We would like to extend a HUGE THANK YOU to all those that have donated. Together, we can do it! ECH has a goal to donate **1000** pairs of **new** men's or women's socks to The Healing Place by the end of August. The Healing Place is a place where HOPE is found and CHANGE happens. If you have any questions about this sock drive, please see any Activity Director. We've even had some people order socks online through Amazon.com. What a great idea! Should you chose to donate this way, please address any online sock orders to Tracy Graham . Our address is 7504 Westport Rd, Louisville, KY 40222.

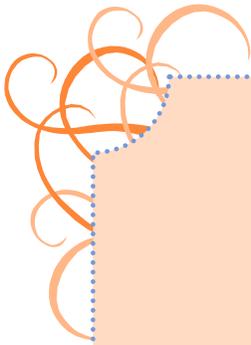

Our annual yard sale that was held on Friday, June 23rd, raised \$1,700 dollars for the Alzheimer's Association! This is a true testament that "one man's junk is another's treasure". Thank you to all who purchased something from our yard sale, and ECH would like to send a HUGE SHOUT OUT and THANK YOU to our "A Team", Hollis and Paul Real and Margaret Ward! We could not have done it without there help and selfless dedication! You are greatly appreciated.

The Episcopal Church Home would also like to send a gracious thank you to Chris Allen, Manager at O'Charley's Restaurant, and one of their regular customers, who chose to remain unnamed, who generously paid for the meals of our Residents and Staff that dined at O'Charley's at Springhurst on Monday, July 17th. In addition, Josh Adamson provided stellar service to our Residents and Staff. We really appreciate the hospitality!
